**PETITION TO CANCEL**

Petitioner Jollibee Foods Corporation ("Jollibee"), a corporation organized under the laws of the Philippines, believing that it is being damaged by United States Trademark Registration No. 4693506 and United States Trademark Registration No. 4892597 owned by Registrant Bumble Bee Foods, LLC ("Bumble Bee "), a Delaware Limited Liability Company, petitions to cancel these registrations, and for grounds states as follows:

1. Jollibee is the owner and registrant of United States Trademark Registration No. 3152057 and Registration No. 4426087 for two design marks comprising an image of a bee in a chef's hat (the "Jollibee Designs" or "Jollibee Design").

2. The Jollibee Design in Registration No. 3152057 appears as follows:

This Jollibee Design is incontestable and is registered in Class 43 for "Restaurant services; self-service and fast-food restaurant services, catering services, cafeteria services, and cafe services." The registration issued on October 3, 2006 and has a priority date of January 12, 2005.

3. The Jollibee Design in Registration No. 4426087 appears as follows:

This Jollibee Design is registered in Class 29 for "Beef, fish, poultry; milk; fast food products, namely, frozen, prepared, or packaged meals and entrees consisting primarily of meat, fast food products, namely, frozen, prepared, or packaged meals and entrees consisting primarily of fish, fast food products, namely, frozen, prepared, or packaged meals and entrees consisting primarily of poultry, fast food products, namely, frozen, prepared, or packaged meals and entrees consisting primarily of game, fast food products, namely, frozen, prepared, or packaged meals and entrees consisting primarily of seafood, fast food products, namely, frozen, prepared, or packaged meals and entrees consisting primarily of eggs, fast food products, namely, frozen, prepared, or packaged meals and entrees consisting primarily of vegetables, fast food products, namely, frozen, prepared, or packaged meals and entrees consisting primarily of edible fats, fast food products, namely, frozen, prepared, or packaged meals and entrees consisting primarily of edible oil; fast food products, namely, frozen, prepared, or packaged meals and entrees consisting primarily of dairy products, fast food products, namely, frozen, prepared, or packaged meals and entrees consisting primarily of nuts in the nature of processed nuts, roasted nuts, seasoned nuts, shelled nuts, and flavored nuts" and in Class 43 for "Services for providing food

and drink; restaurant services." The registration issued on October 29, 2013 and has a priority date of January 11, 2012.

4. Jollibee has used and is using its Jollibee Designs in interstate commerce. Registration No. 3152057 and Registration No. 4426087 are presumed valid.

5. Status and title print-outs and copies of Registration No. 3152057 and Registration No. 4426087 from the USPTO's Trademark Status & Document Retrieval (TSDR) system are attached as Exhibit A.

6. Bumble Bee is the registrant of U.S. Trademark Registration No. 4693506 and Registration No. 4892597 for a Design comprising an image of a bee in a chef's hat (the "Bumble Bee Designs" or "Bumble Bee Design"). The Bumble Bee Design is as follows:

7. The underlying application for Registration No. 4693506 was filed on an intent to use basis, with an application filing and therefore priority date of April 22, 2014. Registration No. 4693506 covers goods in Class 29 and issued on February 24, 2015.

8. The underlying application for Registration No. 4892597 was filed on June 19, 2015, claiming first use on October 16, 2014. Registration No. 4892597 covers goods in Class 29 and Class 46 and registered on January 26, 2016.

9. Bumble Bee did not use its Bumble Bee Designs in interstate commerce or otherwise obtain priority before the priority dates of the Jollibee Designs, and the priority dates of the Jollibee Designs are before the priority dates of the Bumble Bee Designs. As such, the

Jollibee Designs have priority over and are senior to Bumble Bee's marks in Registration No. 4693506 and Registration No. 4892597.

10. Any continued registration or use of the marks in Bumble Bee's Registration No. 4693506 and Registration No. 4892597 is likely to cause confusion with the Jollibee Designs and trademarks. The Bumble Bee Designs in the Bumble Bee registrations so resemble the Jollibee Designs as to be likely, when used on or in connection with the goods of Bumble Bee, as to cause confusion, or to cause mistake, or to deceive. Jollibee thus seeks to cancel the registrations pursuant to 15 U.S.C. § 1052(d).

11. In Cancellation No. 92063063, Bumble Bee is seeking to cancel Jollibee's Registration No. 4426087 on the basis of abandonment and likelihood of confusion. Despite the incontestable nature of Jollibee Registration No. 3152057, at various times during the course of those cancellation proceedings, Bumble Bee has insisted that Jollibee surrender its incontestable trademark rights and cancel Registration No. 3152057.

12. In part, Jollibee brings this cancellation action because of Bumble Bee's positions in Cancellation No. 92063063 and so that Board has the opportunity to decide the likelihood of confusion and any other issues between the various designs in the pending cancellation and in this cancellation at the same time in a consistent fashion. Jollibee intends to seek consolidation of the two cancellation actions because common questions of law or fact exist.

13. Jollibee believes that Bumble Bee's maintenance of the Bumble Bee Designs will result in financial and other injury and damage to Jollibee in its business because Bumble Bee will have a false claim of rights to the trademarks. Continued registration and use of the Bumble Bee Designs will result in detriment and damage to Jollibee by creating the potential for confusion in the marketplace as to the source of goods and services provided. Jollibee's

continued and legal use of its Jollibee Designs will be impaired by the continued registration of the Bumble Bee Designs by Bumble Bee.

14. By reason of the foregoing, Jollibee believes that it will be damaged by Bumble Bee registration of the trademarks and prays that this petition be sustained and that Registration No. 4693506 and Registration No. 4892597 be cancelled.

Please charge the statutory filing fee of \$900.00, as well as any shortfall, missing or excess fee to Deposit Account No. 501-649, in the name of undersigned Attorneys.

Respectfully submitted,

Date: October 18, 2016
